

Portfolio Rubric

Criteria	Excellent (80-100%)	Good (60-79%)	Fair (40-59%)	Poor (0-39%)	Weighting
1. Project Member List	Complete list with all surnames and initials, well-organized and formatted correctly.	Mostly complete, minor formatting errors.	Incomplete list, some initials or surnames missing.	List is poorly structured, several names missing.	5
2. Project Charter (Already submitted but should be copied and pasted / incorporated in the portfolio)	Comprehensive charter with objectives, scope, key stakeholders, and deliverables clearly defined.	Well-defined, minor details missing.	Lacks clarity in objectives or scope; some important elements are missing.	Insufficient information, missing key project details.	20
3. Work Breakdown Structure (5 activities derived from the project charter)	Clear, hierarchical breakdown with all project tasks and sub-tasks identified and structured logically.	Mostly clear, minor gaps in task identification.	Disorganized or lacks logical structure; key tasks missing.	Incomplete, poorly structured, lacks clarity.	10
4. Schedule (Network Diagram) (Based on same 5 activities)	Detailed and well-structured network diagram with clear dependencies and milestones, indicating at least 10 resources.	Mostly accurate, with minor errors in dependencies.	Incomplete or unclear sequencing of tasks.	Lacks structure, dependencies are unclear or missing.	25
5. Resource Requirements (Outline 10 resources, do not produce the graphs!)	All project resources are identified, with clear specifications and quantities.	Mostly complete, minor details missing.	Lacks some required resources, unclear specifications.	Significant gaps in resource identification.	10
6. Project Budget (Table based on same 5 activities)	Detailed budget with all cost elements clearly itemized and justified.	Well-structured budget, minor miscalculations or omissions.	Incomplete budget, some costs not accounted for.	Poorly structured, major costs unaccounted for.	15
7. Risk Register (5 risks and 3 criteria)	Comprehensive risk register with risks clearly identified, analyzed, and mitigated.	Good identification of risks, with some minor gaps.	Some risks identified but lacking proper analysis.	Lacks proper risk identification and analysis.	15
